We cannot share the images because Activision is issuing copyright takedown notices to anyone directly hosting them. If you're curious about the cover art, this is still currently available via Reddit and Imgur. This artwork doesn't confirm much, other than the World War 2 setting. It's also very clear from these images that there will be, as expected, several editions of the game, including cross-gen bundles.

Players have Roblox avatars; they deck out with clothing, items, and other virtual items the game has to offer. Everything from the avatar shop within Roblox are bought using Robux, including:

Think of Roblox instead like an app store. The "storefront" recommends games for you to play, and you can also search through the games available or browse through different categories and genres. A lot of players also share games among themselves or find things recommended online by creators and YouTubers.

It also turns out that developing your own game on Roblox is another sure way of getting your hands on some free Robux.

Roblox is one of those games that seems to have been around forever. The free-to-play multiplayer game has been a hit with kids and adults alike for years. However, the allure of Roblox account generators has always been strong. Supposedly, they'll create an account loaded with free bonus items, and a stash of Robux to spend

on items. This leaves one big question – are free account generators safe to use?
